“ *I am Katherine's first cousin, Shirley Jones and haven't seen or spoken to her in over 60 + years because of her move from Tennessee. I have often thought of her, with her dark brown hair and eyes. She was pretty as a child and evidently grew into a beautiful woman. I am saddened by her passing and want her family to know they are in my prayers and wish we could have known each other all these years.*

“ Cathy J. Stiltner

Mary "Kathy" Santucci and I are first cousins. We lived close to each other when we were young kids growing up in Tennessee. I used to visit Kathy and we had a lot of fun together. She was my favorite cousin. I will always remember how nice she was to me and the good times we had. I missed her when she moved away. I use to call her and talk to her. My mom went with some of the relatives to visit one time and told me later what a beautiful young woman she turned out to be! I didn't get to see her later in life. But one day I will see her again in heaven. I will always miss her.

“ Kathy and George and their kids were our neighbors and friends for many years. We went on vacations together until George passed away suddenly. We moved to Carneys Point but we never lost touch. She had the biggest heart and never forgot us. She will be very missed by me and my son and his wife Rebecca my daughter in law. There are so many good times and memories but too many to put here. God Bless you my friend. Test in peace. Love you for always ❤️❤️❤️👍❤️👍
