“ I remember Michael always letting me bat when Chuckue. Shaun, Ricky. and others would be having a baseball game. He would wave his arms and say this one doesn't count. Haha! But he always gave me a turn.

“ I remember riding my bike over to see Connie where I spent most my time at and Mike treating me just like I was his sister too. He teased me and told jokes and always laughing . He was fun and when talking to you he made you feel like he really cared about you in his unique ways.

“ Wanda, Bill, Debbie, Connie and Family. So sorry to hear about Michael. I regret that I will be unable to attend his services but am out of town. I still remember that little blond kid running around the yard when I would babysit. Good times. My best to all and again, sorry for your loss.

“ Oh Michael, your voice will live on in my head forever. Your laugh and smile were infectious. Such good memories of growing up next door to you, camping trips and the Sportsmanship Club. The stories of the things you and Nancy accomplished at an early age (painting the car, etc.) will be around forever. May you rest in peace and finally be free of pain.
