

Mildred Marie Tripet

August 13, 1961 - May 30, 2021

Mildred “Millie” Marie Tripet passed away at the age of 59 on May 30th, 2021 surrounded by her family after battling Pancreatic Cancer.

Millie was born to Walter and Verna McCarson on August 13th, 1961 in Mannington, NJ. Millie was a lifelong resident of New Jersey. She had a kind heart and was always willing to help anyone with anything. Her family and friends also got to enjoy her feistiness and her silly side often. She was known to be the “MacGyver” of the family; she could take anything apart and have it fixed in no time! Millie loved her scratchies and Chinese Auctions, and she always walked away with the biggest winnings and the most baskets. Millie loved to support her grandchildren. You would always find her at a dance recital or sporting event cheering them on.

Millie is survived by her three children: Tania Riek (Andrew) of Carneys Point, NJ; Monica Sayers (Walt) of Naperville, IL; and Brian Tripet (Laura) of Wellford, SC. She is also survived by her eight grandchildren: Lauren Durham (Colin), Lukas Riek, Dallas and Dawson Sayers, Adriana, Juliana, Liliana and Aiden Tripet. She leaves behind her fiancé Quirt Schank of Pennsville, NJ and a bonus daughter Megan Schank of San Bernardino, CA. Millie is the youngest of seven children. Her siblings are Christine Permenter (John), Margie Krough (Monty), Diane McCarson, Elsa Coffea (John), Walter McCarson (Teri), and Raymond McCarson (Sharon). She will also be missed by a host of nieces and nephews (Great/Great-Great). We cannot forget her

four cats Isabell, Houdini, Alida, and Gimpy. Millie is predeceased by her beloved parents and two nephews Michael Gill and Jason Walker.

A visitation will be held on Friday, June 4th, 2021 from 9:30am to 11am followed by a service at 11am at Ashcraft Funeral Home, 740 S. Broadway Pennsville, NJ. Interment will be at Lawnside Cemetery immediately afterwards. In lieu of flowers the family is requesting donations be made for Millie's granddaughter, Juliana who is fighting her own battle with Colitis and Primary Sclerosing Cholangitis. (Pennsville National Bank, 170 South Broadway Pennsville, NJ 08070, in the name of Juliana Tripet.)

“*Millie and I were friends since 3rd grade. She became part of my family. My parents welcomed her into our home almost daily. She made us laugh, teased my mom, relentlessly, and often shocked my dad with stories & her adventures. She gave him reason to give her some sound advice. Today, I asked my dad if he could recall all the wisdom that he shared with her. He said, no, but I remember what she said to me, "You always call me Mildred, and I hate that"...*

Millie had no problem living authentic and telling it like it is. Our friendship was beautiful because, growing up, our cultures, thoughts and values were different at times. It was through the process of understanding each other that we'd change and grow in some way. Through reflection over these past few weeks, I've come to realize that she was a powerful teacher in my life too. She role-modeled resilience, creating laughter through struggle, being confidently unique, finding meaning and joy in serving others, and listening to understand the heart of people. Her attention to others enabled her to support them in a way that was caring and meaningful.

In our childhood days, we were inseparable. As teens and young women, I spent most days at her home; loving on her children and still having lots of fun. We'd still go out and dance in clubs and laugh a lot. Over the years, our lives changed and we didn't connect as much, but she was always in my mind and heart. And, she always showed up to support me in whatever I did; in life or business. She was a true friend and, in many ways, role modeled unconditional love. My friend forever is beautiful, inside and out. Though my heart aches in your absence, I am grateful for your peace. I look forward to meeting you again, on the other side.
