“ Nancy left a working impression on me as a new nurse working in the Operating Room from 1992-1999. She instilled confidence, self-esteem and encouragement at a critical time in my life of which I will always remember and cherish. She was truly a wonderful person. May you rest in peace. “ *Nancy brings to mind so many things, but especially a vigor for living her life. I knew her as a Nurse Manager, co-worker and a friend. She had so much energy to share, when we were walking for the March of Dimes or shopping for apples or working together. My heartfelt sympathies go out to you, Don and her great family. May she rest in peace and joy.*
