“ *To Nick's Family: Saw Obit in News Journal. I knew Nick as a teenager and even after graduation. Nick was in a circle of friends from the Willow Run, Elsmere area in the 1960's. We went to John Dickinson High School. He was a great guy and will be sorely missed.*

*Over the years people lose contact of old childhood friends. Am so sorry for your loss and will say a prayer for the family. Regards, Iris Taylor*

“ Lynn, this is Janet McCullin and my heart goes out to you. Michael, my brother, just brought to my attention that you and your family lost Nick. The tears are streaming as we speak. I know how much you meant to Mom and Puggy and I know how much you loved them. My prayers are with you. We are all feeling our mortality now I think more than ever. I remember great times and you and Nick and the love you had for each other. So true, so deep, so real. I wish I could be there with you on Thursday, but I don't think I can make it. Michael (Susan his wife) Bill (my husband) and I send our prayers and wishes to you and your family. I am sitting here in our computer room with a box of photo albums that were my Mom and Dad's and realize I must do something with them. If you like please send me your home address as I am sure there are many pictures that they would want you to have. I remember Nanny, her lilic bushes, the party we had on your back porch and most of all Nick's Smile. I love you! Take care and if you want keep in touch. Love Janet
