“ Patti, such an awesome friend to my sister Elaine. I messaged her that my sister was close to being an Angel in heaven, and Patti messages me back to tell me, she and her sister Carol are coming to Floirda to see her.

They made it to Florida to see my sister before her passing on into heaven.

I told her my best friend Cathy had moved down the street from her and what does Patti do, she walks down the street to welcome her to the neighborhood.

I was visting from Florida and needed a place to stay, she said she was sick, but asked her sister if I could stay at her place.

I would message her to remind her of my Dad's, Robert birthday, and she always mailed him a birthday card.

Such a loving, caring, positive person, who always made you feel welcome into the family, and took the time to make you feel special.

She will be missed by so many. HUGS and PRAYERS, to her family and friends, to find the strength in beginning the healing process after such a loss of a BEAUTIFUL person!!

“ I grew to know Patti and her sister Barbara at our women's bible study. she was always smiling and always had a positive encouraging word for all of us. We would also chat on Sunday mornings during worship.

She loved her family and always spoke proudly of them. I will miss her but I know that we will see each other again and be able to rejoice and praise the Lord that we both love so dearly. I pray you will find strength and comfort in family and friends and our Savior. God bless

I've known Patty since we were little girls, being a very close friend of Barbara's whenever I went over we all played together. In recent years Patty & Barbara both came out to my bible study held every other Tuesday. We were a close knit bunch of girls & shared so much. Patty grew in our bible study to become a devoted christian!! I will miss seeing her smiling face!! Rest in peace my friend, I know Barb will be so happy to have you there with her. I loved you both very much!! Till we meet again.
