“ To the world you were one person, but to all of us you were you were the world.

*You were the glue that held the family together. It's hard to believe we knew each other for over 50 years since I met Suzanne in kindergarten. You were the center of attention and all we heard was Pauline, Pauline, Pauline. As we grew older you and you got married, you welcomed us into your life and home. I loved watching you and Albert dance to the KING as he sang to you. We always ate like we were having a feast. I think gambling started with card games in your house and we agreed that everything was Suzanne's fault (LOL).*

*I was the 4th daughter and although we didn't have much, we always felt like we had everything.*

*Pauline, I am sorry if we didn't tell you while you were alive how WONDERFUL you were, but you left a legacy that we cherish forever. We tested your patience but you didn't sway, your decisions were consistent and fair, you forgave us and taught us life lessons although it didn't feel like it at the time, you were calm but let us know exactly how you felt, you were organized and able to juggle the finances and family. There were so many businesses started with you, Suzanne and Debbie that you should have been one of the SHARKS. Your knowledge guided us through difficult and fun times, you welcomed us with open arms and were friendly to all in Pennsville but most importantly you were a loving wife, mom to Greg and Eddie and Nana to ALL.*

*You were fierce and would not back down without a FIGHT and you were BRAVER than you could ever imagine.*

*My tribute to you is to take one of your qualities and carry it on in my own life.*

*I hope you can see all the hearts you have touched even though they are broken now.*

*We love you forever and get that High Roller Game started in HEAVEN.*

“ To Debbie, Suzanne and Family, we can't begin to put into words how truly sorry we are for the loss of Pauline. She was a wonderful person and love everyone unconditionally. Never a hard word she utter, it was the look that said it all. We don't know how or why God choses his earthy angel's to return home to him, we only know that he called the best in Pauline. On Eagle's Wings she fly to watch over you all. She will always be with you, sitting lovely on your shoulder. Until we met again Pauline, rest in peace. You will be sadly missed!! Prayers, Mary & Bill Muphy

“ My heart is so broken. I loved our Sunday get togethers. We cooked most of the day and we ate, laughed, cried, hugged, yelled and looked forward to the next Sunday. You and Mommar would make me laugh so hard as you told us about your crazy adventures. You took me in and treated me like family. No matter how bad things got in your own life, you always had kind words and hugs for anyone who needed them. I love you Pauline. Rest easy my friend. You and Mommar are back together and I know you're smiling. Give her and Albert hugs from me. Always in my heart 🤔❤️🤔
