“ *Uncle Pete was more then just a great husband, father and grandfather, he was a wonderful uncle to all his nieces and nephews! You will be sadly missed and always in our hearts uncle Pete. Ethan will always remember the car rides with you and how just in the short time you were able to be in his life, the love you showed him because he sure did love his uncle Pete! I will never forget that you were the first person Ethan cried for when he had to leave your house and he would say" I need my uncle Pete and he needs me." then you would come back to our car and tell him "it's ok buddy you can come back and see me" . That showed the kind of love you gave all the children that had the honor of being a part of your life. Never good bye just see you later, till we meet again. Love always, Kyomi*
