Raised in Penns Grove, NJ, where he lived his entire life, Pete served in the United States Navy from 1945-1947 on the USS Munsee as a Fireman Second Class. After working two years for the E.I. duPont company, Pete joined the United States Air Force and served from 1949-1952 as an Airman First Class. While stationed in Tripoli, Libya, Pete met Wanda Aspasini. Pete and Wanda were married in Naples, Italy on January 17, 1954.

Returning to the states, Pete once again went to work for the E.I. duPont Chambers Works plant from 1954 to 1984 mostly in the Tetra Ethyl lead area. He also liked to work side jobs installing windows and new roofs for people in the area.

Pete’s passions were being with people, story-telling and donating daily to his favorite charity, Delaware Park. He was best known for his sense of humor, positive attitude and never having a bad word to say about anyone.

“Pete was our DP buddie. Loved him like another father-always joking, smiling, & living life to the fullest. Despite medical problems- he continued to smile & deal. Sharon & I always looked for him @ DP & visited him during his rehab days. They don't make em like Pete anymore-will miss him terribly. God got a good one-now he can make everyone “above” smile. Love &Miss ya Pete-(our great friend)-God Bless You! Kerry & Sharon Bradford
