“ *Renee will be missed by me especially because of her kindness to our family in the early years of our friendship. She helped me thru troubling times and became permanant friends since the 80's. We ended up teaching together at St. Mary's and had so many laughs and memories and talks. Her class room was the go to class room when you needed someone to talk to who really listened. Renee taught me about St. Faustina and gave me her book to keep. It is something that this past month I have been putting excerpts about this St. on facebook to introduce her to others with Renee in mind. Well now she meets her and so deserves to because of her great devotion to her. Renee tell her I'm trying to spread the devotion as you have. I also have a beautiful manger set she gave me as a pollyanna gift at our teachers luncheon at Julies Doughty's one year. I have taken great care of it and put it up every year since. So you see Renee has been with me in so many ways. i missed her these last luncheons and always asked about her. Actually we (St. Mary's Girls) all did. Renee was not only a comfort to her family but also to her friends. Rest in Peace Renee and enjoy all the Glory of God. PS. Sneek a hi to Sr. Marion and Gertie for me. Love, Marianne Dodge*
