“ *Richie, You were such an inspiration for so many people. You loved your whole community and would go out of your way to help anyone in any way you could no matter what the circumstances. We are honored to have called you both our friend and part of our family as well. Our hearts weigh heavy today but we know that you are with God and the Angels doing more good work. Our hearts and prayers are with your Mom Aunt Betty, Your Dad Bob, and your brothers and their families. We will never forget the smile you wore that lit up a room when you entered. We will miss you so much and hold you in our hearts forever....Dawn, Bruce, Danielle & Kara(Rappa) Hoffman.*

“ *Richie you were a great friend. We shared alot of things with each other and it was easily done with the person you were. You touched more people than anyone could ever imagine. I know that if I make it to heaven it will be the cleanest and have the perfect vacuum lines in the carpet. I will miss you every day but I know you are looking at all of us every day and having that smile on your face.*

“ That though the radiance which was once so bright be now forever taken from my sight. Though nothing can bring back the hour of splendor in the grass, glory in the flower. We will grieve not, rather find strength in what remains behind.”

“ What words can you choose to describe someone like Richie, think of any qualities that are positive and you can tag it to his name. He was our friend, co-worker and someone to share fun times with. He never ever said "No" to anyone asking for his help, almost to a fault. He was thoughtful for the needy. If he got mad, within seconds you could get a grin out of him and that fast he would forget that he was mad. His mother and father should be very proud to have raised so a great man. He will remain in our hearts forever. To his family and friends, please accept our deepest of sympathy, we will keep you in our prayers. <3 XXOOXX

“*Richie was one of the people who taught me everything I know about being selfless and helping others. He was the most caring, kind, genuine person I have truly ever met. It's really hard to come across someone like that. In working with a little smile for Christmas, he and gail gave me countless opportunities to help others, which through the two of them I have learned is one of my purposes here. I will forever continue in the direction he has helped guide me in to make the lives better of all the people around me. Richie never thought twice about helping others. I am so grateful to have met someone so amazing in my lifetime. I will forever remember his heartfelt, selfless effort to help everyone, working beside him in so many a little smile events, him coming to see me in my pageant and his smile he ALWAYS wore. Truly the most amazing person I've ever had the pleasure of meeting. He'll be missed greatly..*
