“ Hello, I am Vaughn Happel, First my deepest sympathies to Richard's family and friends. It is amazing that I saw this obituary since I am living in WV and even more amazing that I would associate the name with the Richard I knew in 1960 when I first worked at the Pinebrook Book store. Richard was in charge of the print shop and ran a Multilith press devoted mainly to printing the "Book of the Month newsletter". My main interest in life was printing and I even had a similar press at home so we hit it off immediately. We got to be great buddies and all of these years later I have only the fondest memories of his great sense of humour his willingness to help the "rookie" at the business and just what a genuine honest and friendly fellow he was. I am sorry that I haven't run into him since then,he has wandered through my memories often. I know he will be sadly missed by those who have had the good fortune to spend these many years with him and I am sure that heaven is a happier, friendlier place with him there. Thank you for listening. vonn happ@aol.com
