“ *What a kind, thoughtful person he was. We'll never forget how he hand delivered an Italian cream cake to my father's house for his 90th birthday and such a good, honest doctor. Thoughts and prayers to his loved ones. Rest in peace Dr. Sooy 🙏*

“ *I first met Rich in 1977 when I was 12 years old and joined Pennsville Shotokan Karate. He was always my senior in class and I looked up to him and wanted to be like him. He always set an example for me at a time in my life when I really needed a good role model. I'm thankful that he helped me and I will always remember him.*

“ *This was very sad news to receive. I've been a patient of Dr. Sooy's for several years, he was so knowledgeable in his profession and made you feel at ease, so personable and upbeat, more like a trusted friend than a doctor. My condolences to his family, he will be missed.*

I was shocked to hear that Dr. Sooy had died. I was a patient of his and came to love him as a good man and doctor. I thought he was on vacation, and was annoyed that I couldn't get Richard to see me.. I thought he went off to Ecuador, where he planned to retire. I got the form letter from Cornerstone 3 days after his funeral. To me he was a great doctor and I wish I could have told him how much I appreciated him. The good die much too young . My prayers and thoughts go out to all his friends and family.

I am very saddened to hear about the passing of Dr. Sooy. There are few people who in their life journey, leave an impact in our lives and Dr. Sooy was one of them. He was kind, compassionate and very real. The conversations with him were always invigorating because he stood by his beliefs. Fly high Dr. Sooy. May you rest in peace. My prayers are with his family.

“ When I think of Rich, I think of a man full of devotion and loyalty to the people he loved and cared for. His life long goal to understand, be understood, and continued self-development. He loved to make people laugh. Pranks were his specialty, and he was a master. I'll forever value his insight & friendship, spirited antics, and all the fun times we shared in our youth. Rest In Peace my friend.
