“ My husband was a great father to our daughter Meghan, I couldn't have asked for a better one. He was always an excellent provider. He showed us so much love that will last a lifetime and more. We never wanted for anything and he was always there for us and I know he still is. He always called me his soulmate and he is mine. I take comfort in knowing that he loved us completely and said that we were the best thing that ever happened to him and the only thing he ever got right. Rest easy baby until we are together again in eternal life with Jesus. Nothing or Noone always. 💜
