“ *Words can not express the feeling inside of me when I heard this news. I have known Bobby since we were very young boys (probable 5 or 6 years old). We grew up together basically as brothers. I've known the McCarsons for what seems like forever. Bobby and I would go long stretches without seeing each other but when we did it was like no time had passed. We would see each other as men and laugh as we reflected back on our childhood and all of the crazy stuff that we'd gotten into. He will always be in my heart, he will always be my Brother, and I already miss him.*
