“ Lou and Linda,

When a child passes on to Heaven before their time the pain and shock can be so hard to hold in. I know, because I lost my youngest son, Scott, eight years ago, and I do know that there is a light at the end of the dark and dreary tunnel.

Remember her with the same love and care she has shown to so many others. Do this and the pain will lessen, Time heals all wounds is a true saying as long as you keep your love for her in your hearts.

*These first few weeks will be trying, Every emotion will hit you, that's when you need those loving memories the most.
my prayers today will be for Melissa, and the entire Steelman family and all of its members*

*Much love, big hugs, and prayers. Jim Evridge
