

Sylvia Jean Taylor

June 18, 1954 - February 20, 2020

Sylvia Jean Taylor (MaGee) 65, of Deepwater NJ, passed away on February 20, 2020.

Sylvia was born on June 18, 1954 to Richard and Margaret MaGee in Salem, New Jersey.

After graduation, she started her career in medical billing and spent over 35 years with Salem Memorial Hospital working on claims and helping patients. Most recently, she spent the last 7 years working at HBCS in Wilmington.

In 1986, she met John Taylor and they wed in June of 1989. They went on to have two daughters Jessica and Rachel.

Sylvia's pride and joy were her daughters who kept her going. She was always happy to hear of their growth and successes in their hobbies and careers. Her favorite evenings were those spent watching Hallmark and Lifetime movies with her cats, over a bowl of broccoli cheese soup from Wawa. She spent her Sundays at Bethel Bible Baptist Church where she was actively volunteering in the nursery and working with the younger children.

Sylvia was predeceased in death by her loving husband John, her parents (Richard and Margaret), and nephew Little John. She is survived by her

daughters Jessica (Kevin) and Rachel (Mark), her sister Eileen (David), brother John (Ella, niece Beth), and her two furry children Friskie and Gizmo.

A visitation will be held on Saturday, February 29 from 10:00 am till 11:00 am at Bethel Bible Baptist Church, 20 Elmwood Avenue, Carneys Point, NJ 08069, followed by a service at 11:00 am. Burial will be in Lawnside Cemetery.

“ *Jessica and Rachel Your mom will never be replaced but ALWAYS remembered. Sylvia and I met when I started in the billing dept at MHSC in 1975, we became instant friends and we had so much fun. We had our wild days and then she met your dad and started having children and we still stay in touch. I got Christmas cards with your pictures and wedding and you couldn't ask for a better friend. Sylvia loved her girls and her cats. I'm a cat lover too so we had all sort of likes together. She loved her God too and made sure that you girls were raised in church. She never complained (only to me at times @ how she felt) but she never had a bad word about anyone. We worked with a bunch of woman at MHSc and we all got along and were like family. She was a very dear friend to me and I will miss her terribly. We will see each other again in Heaven cause I have not doubt that she is there with your dad and her parents. My prayers and thoughts and especially my love is with you both in this really hard time. Please know there are those who will always care about you both. If you ever need me, look my number up in her book. If you can't find it contact one of the woman from MHSC or contact me through facebook. I am living in North Carolina now and unable to attend and my heart breaks because I can't but Sylvia knows that if there was a way I would be there. Take peace in knowing that your mom spread kindness and love to anyone she met. That takes a special type of person and that was my friend, Sylvia. .*

“ Jessica and Rachel... I am so sorry for your loss. Your mother is one of the truly sweetest, kindest, gentlest souls I have ever had the pleasure of knowing. I remember her joy in being pregnant and how proud she has always been of both of you. You were definitely the light in her life. She will be missed. Bless you both!!! Becky Hoyle-Moriarty

“ My mother was a woman who enjoyed the simple things. This was her on her 55th birthday enjoying sugar flowers. She was always more impressed by the little things and gestures. She will be loved and missed.

“ *So very sorry to hear of Sylvia's passing, I can still remember the many many hours she spent working to make sure her daughters had everything they needed and wanted. The many cookies she made and all of the BJ's trips to get snacks to sell at the PMHS and Oakwood theater performances to benefit the organizations. Sylvia had a kind and generous heart and soul and will be missed by all that knew her. Rest in Peace Sylvia. Carol Gibison Wills*

“ I remember the Bible School that Sylvia and I had the Primary Class in a tent outside in the heat. One of the teens trying to chase kids inside didn't believe two of our kids when they said their class was outside until I told him the tent was our classroom. We had a great class that year.
