“ Well daddy I don't know what to say. I'm still in shock. It hasn't hit me just yet. I will miss our chats on trump lol. I feel lucky to have you as a father. It was an honor being your daughter. I know we didn't have the greatest relationship at one time. But I'm so happy we reconnected again. I wanna thank you for making me a big sister to my brother and 2 sisters. We your children are both sad and happy. Sad that we can no longer hear you or see you anymore. But we're happy that your in a better place. You can be pain free and no longer sick. You will forever be in our hearts and mind. We will never forget you. Say hello to my mom and mom mom and pop pop. Don't worry about gina and rachel. Me and TJ will take care of them. Please watch over us all. Until we meet again. Love you daddy to the moon and back.
