“ I worked with Terry at DDS years ago and he was a great guy. He was kind, quiet and always had a smile on his face. I also remember he loved his "Cowboys" and took a lot of jabs because of that.

*Kristine and Emily my heart hurts for you both. Such a loss is unfathomable but he will be with you both everyday. You will see signs and feel his presence. Talk about him and keep his memory alive because that is the greatest thing you can do for him.*

*May he rest in peace in the arms of angels.*
