“ I miss Aunt thelma so very much but I know she's with the angels, Jesus, Susie, and Holly in heaven she was seeing them in the hospital. I'll always remember making tomatoe potpie and the help making chicken potpie at mom's house with her. In your honor i'm making your famous easter eggs. You'll always be apart of me and i'll carry your memory and honor you always. With all my love

“ To My Cousins... We've lost a really special one this time. One of my favorite people in the world. The memories that I have in my heart of and with Thelma and all the rest of you, will never be forgotten. We have a wonderful family. We have lost some of the good ones already, I know. But, can you imagine the reunion they are having right now in Heaven? Our loss is truly their gain. I am so very sad that I will never see her again on this earth, but rejoice in her being welcomed into the Kingdom of Heaven where there is pain no more. Where I will see her again when it is my turn to leave this place. She has suffered long and hard these last few years and deserves rest. Leon, Penny, Shirley, Mae, Joe, Janet, Alma, Cindy... I love you all.
