August 16, 1960 - October 1, 2021

Thomas Lee Powers, also known as Tom, age 61, of Lower Alloways Creek, passed away peacefully October 1, 2021 in his home. Tom was diagnosed with Stage 4 Pancreatic Cancer in November. He also enjoyed going to yard sales, auctions and to football games with his friends. He was a die-hearted Philadelphia Eagles Fan. Tom was known as a great father and grandfather and a kind hearted soul who made friends anywhere he went. He was well known everywhere, especially at Walmart, which was like a second home to him. Tom is survived by his mother Lois Bell, his three children Christina Powers, Jennifer Barber and Brianne Powers, his only grandchild Leah Powers, the mother of his children Wanda Mack, his siblings Raymond and Angel Perry and many nieces and nephews. He is predeceased by his two step fathers Thomas Perry, Sherley "Champ" Powers and his siblings Harry, Bobby, Sonny and Shirley Powers. “ I didn't know Tom well, personally, but through my brother, "Champ" Powers, his dad, I heard his name always with pride and joy. They attended many Salem football games together, which was their alma mater. Tom was a diligent and happy presence in my brother's life. Perhaps they're together now reminiscing about old times.

Deepest sympathy to family and friends.

*Love,
Aunt Millie Rahrer*

I knew Tommy since he was a kid, as I knew his Mom, his brothers, and his sister, Shirley. Tommy was friends with my son and the other Salem crew that hung together, and was always a good "kid" back in the day. After growing up, whenever I would see him, he always had a smile and something nice to say. When my granddaughter started singing with her band, he would always come to DiPaolo's when she would be there to see her, as he was friends with her father and her grandfather, John Fahrner. It was always good to see him there. It hurts my heart whenever I hear about some young person I know getting ill or dying, because it just doesn't seem right. But as someone once told me, "we're all only here for a visit, so make it a good one." I believe that Tommy did just that. He was a good person, and I respected the way he took care of his little granddaughter, who I am sure will miss him so very much. God has taken a good person from us, and he will be missed by many. Love you, Tommy <3 <3 <3
