“ I recall the last time I saw aunt Bette unfortunately it was at my nephews funeral. It seems that's only when you see the distant relatives and old friends. We were talking about how we need to get together as a family on a happy occasion. We were hoping to organize a family reunion.I regret to say this never happened. We all grow up and seem to have busy lives with work and home life. No time for the extended family(aunts, uncles, cousins, nieces & nephews) and old friends. We need take the time and effort to connect and reach out to each other. I will miss not getting my Christmas card and sending her one to let her know I'm thinking of her. God Bless aunt Bette and peace be with you.
