“ I first knew Vinny when he played on the same t-ball team with my brother. I got to know him as an adult when he lived down the street from me on North River Drive. He was so much fun to be with but he was also a very smart person you could have a serious conversation with. He will be missed. My sincere condolences to the Kratzer family.

“ I met Vinnie my first week of high school and we became fast friends. He was extremely kind, intelligent, and had a wicked sense of humor. When he was in your presence one could not help but be in a better mood as he would make you laugh with his quick razor sharp wit. Vinnie, thank you for the wonderful memories!
