“ I will always remember Wayne with that quiet smile on his face that could light up the room. He was one of the most generous, kindest men I have ever known, always sincerely interested in what was going on around him. When Lou had his back surgery, he and Carol were the first ones here to offer help and his famous soup. So proud to have gotten to know this beautiful man who loved his family, friends, and country beyond question. God truly got a winner calling him home. Carol, Ginny, and Kathy, may your many memories bring you comfort in the difficult days ahead.
