“ Our condolences, thoughts and prayers are with you at this time of your loss. We will miss him sadly, but will remember all of the good times we've had together. Yearly gatherings at the house during Halloween for treat or treating, eating Bills homemade soup, and watching the kids walk by in their costumes. The family gatherings at the September fest and the October fest, watching fireworks and chasing the kids down. And those nights at the casino. My children and grandchildren always looked forward to being a part of your family traditions and we will miss them dearly. Thank you for allowing us to be a part of your life. “ Love knows no distance!` To Mary and my family, please know my heart is with you and even if I am not physically there, please know I share the same tears! I also share memories, good, bad and the ugly, but I remind you to keep in mind that is what families are all about!

Emotions are a gift from God that we have and we either let them control us, or we can control them! It's a choice to the thoughts and memories we hold on to and that we build our character around!

One day we will be remembered for those very thoughts we have today and tomorrow. They say our thoughts lead to action, so I want to encourage you all to love, laugh, cry and even forgive whenever you need to, so you are always there for each other!

I know there has been much lost and pain in your family in such a short time thru the years, so continue to cherish the days you have with one another!

I will always remember my Uncle Bill with a smile on his face (always the same smile) and often, a cup of coffee in his hand :) Uncle Bill and Aunt Ada always treated me like I was their daughter and not just a niece! The love I instantly felt in their presence is a love I will always cherish and hold close to my heart and memories! They always had their doors open and if you came when there was food on the stove you could be certain they would tell you to grab a plate and help yourselves!

I will always remember my Aunt Ada saying, " God helps them who help themselves." and boy, could she cook :)

I will always remember my Uncle Bill for the kind, loving and gentle man that he was that worked hard and provided for his family!

I love you Mary and all the family too! Please know you are in my heart, prayers and thoughts during this time!

Love,
Pam (Aunt Pam)
