“ Grandpop I just wanted to tell you I love you and miss you already. Unfortunately I'm unable to be there as to the fact that I'll be having your first great granddaughter soon, but I have all the best memories right close to my heart and their they will forever stay so I can share them with my kids someday and tell them all about you. I love you and how strong of a man you were. Thank you for being there for us when we needed you, and for creating the best mom any daughter could ask for. I've lost a great person that I'll always remember and love but I gained another amazing angel!!!!!!
